

Nursery Newsletter

Autumn 1

Eastern Multi-Academy Trust
Empower - Motivate - Aspire - Transform

Dear Families,

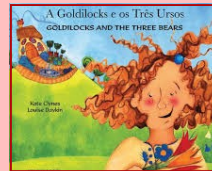

We hope you had a great summer break. We welcome our new nursery children and previous children.

Our topic is **All About Me**. This is an opportunity to build the important relationships with the children and find out more about each other. We are focusing on three key words: **Family** - people who are connected to each other; **Community** - a group of people who live in an area; and **Emergency** - when someone needs help quickly. We will also be learning about our differences and similarities, our facial features and parts of the body.

Literacy

We will be reading a variety of fiction and non-fiction books that link to our theme 'All About Me.' As well as singing nursery rhymes and reading poems. Our Talk for Writing focus is 'Goldilocks and the Three Bears' We will be building up knowledge of the story, focusing on the setting, characters, and key vocabulary. We will create our first story map using actions and recalling key phrases.

Maths

We are focusing on numbers to 3 using fingers, pictures, songs and five frames. We are developing a deeper understanding of number, ensuring children are confident. We will be looking at 2D shapes, finding shapes in the environment and arranging shapes, and sorting by size and colour.

Important Dates

19/9/22 Public Holiday
(Academy Closed)

28/9/22 and 29/9/22—parents
evenings

29/9/22—Macmillan coffee
morning

30/9/22—individual
photographs

Home Learning

Each week we post a home learning challenge which can be found on tapestry. Please share your amazing work at home!

Key message

We now run a PE session on a Friday - please make sure your child is wearing a pair of trainers, and comfortable clothing.

Tapestry is now active, you should have received a link. Any problems please ask.

Phonics

We are focusing on listening and attention – joining in with rhymes and poems using actions and instruments. We will also be listening to sounds in the environment, such as cars, trains, wind blowing, and leaves crunching.

Physical Development

Each week we will have a PE session in the hall or playground following a scheme to promote exercise and healthy bodies. The children will also have opportunities for physical activities within their challenge time.

Please visit our website for more information. <https://www.raleighinfant.co.uk/>
