In Maths, we are focusing on Ratio and Algebra. In English, the children are reading the book, '**Pig Heart Boy**' by **Malorie Blackman**– a powerful story about friendship, loyalty and family. In Writing, the children are writing an adventure story in the third person continuing to develop their descriptive writing.

Within the wider curriculum, the children will be learning about **North America**. In Science, our new topic for this half-term is **Electricity** and the exploration of circuits using electrical components.

In Art, we are learning about Victorian Art and Architecture.
