Summer 1

Eastern Multi-Academy Trust
Empower - Motivate - Aspire - Transform

Dear Families,

Welcome back to the start of the Summer Term. We hope you had an enjoyable Easter half-term. We look forward to showing off our knowledge in the upcoming **SATs week**.

The children are having an assessment between the 9th-12th May. Please ensure your child has had a 'hearty' breakfast each morning.

In **Mathematics**, we are revising arithmetic questions, including the four operations: addition, multiplication, subtraction and division. Also, we are deepening our reasoning skills to secure our knowledge further.

The children will read the book '**Oliver Twist**' by **Charles Dickens** in **English** to understand how language can change over the years. In Writing, the children will write an adventure story using the literary device of suspense. We will continue to develop our spelling, grammar and punctuation skills. This will focus on relative clauses, past progressive tense, hyphens and parenthesis.

Within the wider curriculum, the children will learn about Africa in Geography, Electrical Systems in Design and Technology and Reproduction in Science.

The Y6 team

Important Dates

01 May - Bank Holiday

08 May - Bank Holiday

09-12 May - SATs

15 May - RSE Consultation

25 May - Class Photos
