Summer 2

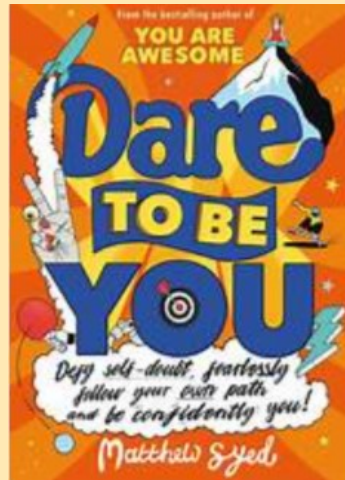

Eastern Multi-Academy Trust  
Empower - Motivate - Aspire - Transform

Dear Families,

Welcome back to the Summer term. We hope you had an enjoyable half-term. We have an exciting half-term, including learning, residential, celebrations and transitions to High School.

In Mathematics, the children focus on revising and deepening their mathematical knowledge. In Writing, the children write a fractured fairytale focusing on dialogue to convey action and parenthesis to add extra information. In Reading, the children are reading 'Dare To Be You' by Matthew Syed, which is about believing in yourself and knowing that you are fantastic!

Within the broader curriculum, the children will learn about Evolution, Globalisation and The Suffragettes.

In other work, we shall support the children to prepare for their transition to high school.
