Academy specific information for Raleigh Infant & Admirals Academies

2023-2024

School name: Raleigh Infant & Admirals Academies
Policy owner: Tracey Brookes
Date: 02.09.2023

Purpose

The purpose of Raleigh Infant and Admirals Academies safeguarding policy is to ensure every child who is a registered pupil at our academies is safe and protected from harm. This means we will always work to:

- Protect children and young people at our academies from maltreatment;
- Prevent impairment of our children's and young people's health or development;
- Ensure that children and young people at our academy grow up in circumstances consistent with the provision of safe and effective care;
- Undertake that role so as to enable children and young people at our academy to have the best outcomes.

This policy will give clear direction to staff, volunteers, visitors and parents about expected behaviour and our legal responsibility to safeguard and promote the welfare of all children at our academy.

Our academies fully recognise the contribution they can make to protect children from harm and supporting and promoting the welfare of all children who are registered pupils at our academies. The elements of our policy are prevention, protection and support.

We recognise the different forms that child on child abuse, including sexting, can take and will ensure it is not tolerated within our academies. We also recognise that safeguarding against radicalisation and extremism is no different to safeguarding against any other vulnerability in today's society.

Both academies use the EMAT policy for Safeguarding and Child Protection, this is an appendix to give localised information about Raleigh Infant and Admirals Academies.

Our Ethos

The child's welfare is of paramount importance. Our academies will establish and maintain an ethos where pupils feel secure, are encouraged to talk, are listened to and are safe. Children at our academies will be able to talk freely to any member of staff at our academy if they are worried or concerned about something. Everyone who comes into contact with children and their families has a role to play in safeguarding children.

We recognise that staff at our academies play a particularly important role as they are in a position to identify concerns early and provide help for children to prevent concerns from escalating. All staff are advised to maintain an attitude of 'it could happen here' where safeguarding is concerned.

Curriculum:

Throughout our curriculum we will provide activities and opportunities for children to develop the skills they need to identify risks and stay safe. This will also be extended to include material that will encourage our children to develop essential life skills. These are taught explicitly through our PSHE curriculum at Raleigh Infant and Admirals.

Online Safety is taught through the SMART rules and taught within our PSHE curriculum and is embedded throughout our computing curriculum. Raleigh Infant and Admirals actively seek to provide children with visitors to support the teaching of

'keeping ourselves safe' for example road safety training, stranger danger, rescue services and their role to help us.

Online safety

Online safety in schools Raleigh Infant Academy and Admirals Academy will continue to provide a safe environment, including online. This includes the use of an online filtering and monitoring system. Where students are using computers in school, appropriate supervision will be in place.

Children and online safety away from school:

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Procedures and where appropriate referrals should still be made to children's social care and, as required, the police.

Online teaching should follow the same principles as set out in the Trust's code of conduct and acceptable use of ICT policy. Raleigh Infant and Admirals Academies will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Below are some things to consider when delivering virtual lessons, especially where webcams are involved:

- No 1:1s, groups only
- Staff and children must wear suitable clothing, as should anyone else in the household.
- Any computers used should be in appropriate areas, for example, not in bedrooms; and the background should be blurred.
- The live class should be recorded so that if any issues were to arise, the video can be reviewed.
- Live classes should be kept to a reasonable length of time, or the streaming may prevent the family 'getting on' with their day.
- Language must be professional and appropriate, including any family members in the background.
- Staff must only use platforms specified by senior managers and approved by the Trust's Head of IT to communicate with pupils.

Children working on line

Raleigh Infant and Admirals Academy will ensure children who are being asked to work online know how they can raise any concerns whilst online. As well as reporting routes back to the school, age appropriate practical support is available from:

- [Childline](#) - for support
- [UK Safer Internet Centre](#) - to report and remove harmful online content
- [CEOP](#) - for advice on making a report about online abuse Support for parents and carers to keep their children safe online includes:
- [Internet matters](#) - for support for parents and carers to keep their children safe online
- [London Grid for Learning](#) - for support for parents and carers to keep their children safe online
- [Net-aware](#) - for support for parents and careers from the NSPCC

- [Parent info](#) - for support for parents and carers to keep their children safe online
- [Thinkuknow](#) - for advice from the National Crime Agency to stay safe online
- [National Online Safety](#) – advice for parents and carers, along with helpful user and ‘how-to’ guides.

Attendance

A child’s attendance at school is extremely important. At Raleigh Infant and Admirals Academies we:

- operate a ‘First Day Calling’ policy, and endeavour to call all parents and carers of children absent from school by 9.30am each morning, if we have not heard from them before this point.
- continue to try and contact throughout the day including emergency contact if contact cannot be made.
- may choose to carry out home welfare checks within 48 hours if no contact is made, sooner if there are concerns for the wellbeing of the child/family.
- review attendance across the school weekly, focusing on any child whose attendance is less than 96%.
- follow up these reviews with parent meetings, letters, phone calls and fixed penalty referrals to the LA as appropriate.
- follow Norfolk’s procedures for Missing Children.
- liaise with Norfolk attendance team and attend termly target and support meetings to identify and next steps or further support for families.

Induction

All staff and regular visitors will, through training and induction, will know how to recognise indicators of concern, as well as how to respond to a disclosure from a child and how to record and report this information.

We will not make promises to any child and we will not keep secrets. Every child will know what the adult may have to do with any information they have chosen to disclose.

All adults who come into our academies are aware of our procedures relating to Safeguarding as posters are displayed prominently in all areas – including in the adults’ toilets.

Our Safeguarding procedures, and our expectations around this also form a key part of our induction process.

Temporary Staff and Volunteers

All temporary staff and volunteers are given a minimum of a one hour safeguarding induction based on the whole school safeguarding model from Norfolk County Council. This induction includes full information on safeguarding procedures at Raleigh Infant and Admirals Academies. Temporary staff and volunteers are given copies of Part one and Annex B of Keeping Children Safe in Education 2023, as well as relevant Raleigh Infant and Admirals Academy policies.

Visitors

All visitors are provided with an Raleigh Infant and Admirals Academy Safeguarding leaflet. Regular visitors and supply teachers are also provided a copy of the Safeguarding Policy. All visitors to the academy are informed who the DSLs are.

Safeguarding referrals

Raleigh Infant and Admirals Academy referrals to the DSL team are made through CPOMS (Child Protection Online Management System). Referrals should be made as soon as staff become aware of them. Staff have been provided with training in using this system and each have their own login.

We also have a pink Safeguarding Alert Card which should be handed to a DSL in cases of a safeguarding emergency, for example the disclosure and/or observation of a physical injury to a child.

In the unlikely event that the system is inaccessible, a safeguarding form (appendix 1) should be completed as soon as possible and given to the DSL on duty, as identified on the staff board in the main reception area.

If a member of staff, visitor or volunteer feels that a safeguarding concern has not been dealt with appropriately they should contact Norfolk Children's Advice and Duty Service on 0344 800 8020.

Operation Encompass

Raleigh Infant and Admirals Academies are working in partnership with Norfolk Constabulary and Norfolk Children's Services to identify and provide appropriate support to pupils who have experienced domestic violence in their household; this scheme is called Operation Encompass.

In order to achieve this, Norfolk Multi-agency Hub will share police information of all domestic incidents where one of our pupils has been present with the Designated Safeguarding Lead(s). On receipt of any information, The Designated Safeguarding Lead will decide on the appropriate support the child requires. We will record this information and store this information in accordance with the record keeping procedures outlined in this policy.

The Lead DSL and deputy DSLs have access to Operation Encompass however, the Lead DSL takes responsibility for monitoring this daily.

Use of trust and personal mobile devices

All staff should follow the Eastern Multi Academy Trust Acceptable Use Policy when using trust or personal devices. During normal academy hours, use of personal mobile devices should be limited to private areas (for example staff rooms) and should not be used whilst children are present except in emergency situations. Personal devices should not be used to take photographs.

Members of the SLT may carry their work mobile phones with them to assist in needed situations, for example fire drill communication.

At all times we will work in partnership and endeavour to establish effective working relationships with parents, carers and colleagues from other agencies in line with 'Working Together to Safeguard Children DfE (July 2018).

All staff and volunteers at Raleigh Infant and Admirals Academies know that they are responsible for upholding our expectations in relation to Safeguarding children whilst at school, and at all times whilst conducting their lives away from school. They must always be mindful of how their actions, and inactions, may be perceived by others, and they must always follow the school's guidance and expectations in relation to Safeguarding children. This policy applies to all pupils, staff, parents, governors, volunteers and visitors. All staff, visitors, volunteers and students know that safeguarding is everybody's responsibility.

Support from the Eastern Multi Academy Trust

The Trust Lead on Safeguarding will provide support and guidance as appropriate to enable the DSL to carry out their role effectively.
