Dear Parents and Carers,

## Admirals Ofsted Inspection Report

On 12/13<sup>th</sup> June 2024, Admirals Academy was inspected by Ofsted. This is the first inspection since the Academy was inspected in January 2022. At that time the school was judged to be Requiring Improvement.

*I am both pleased and proud to be able to share with you that Admirals Academy has been judged by Ofsted to be a **GOOD** Academy, with **Outstanding** Behaviour and Attitudes, and **Outstanding** Personal Development !!!!*

The Academy has undertaken a significant improvement journey, and whilst a lot of investment and change has happened, I am extremely pleased that the judgement is recognition for all of the hard work by the staff team. This has resulted in a significantly improved educational offer for our pupils and their parents/carers, with Ofsted recognising that aspects of our practice and approach are exceptional.

I have attached the inspection report for your attention, and it will be posted on our website over the coming days. Please do take the time to read the report and share the news more widely across the local community. Both Raleigh and Admirals are now deemed 'Good' Academies, with Outstanding features; this is a significant achievement and one that we should all enjoy and celebrate.

Thank you for your ongoing support,

With kind regards,

Greg Sadler
