Autumn 1

Dear Families,

We hope you have had an enjoyable summer and are looking forward to the autumn term. This half term, we will be covering a range of subjects —some of which are outlined below:

History:

In history, we are going to be studying some local history. We will be learning about Holmes and Kable—two convicts with an interesting story!

Science:

In Science we will be learning about the human body with a focus on the circulatory system. We will take a close look at the function of the heart and how it works with other organs in the body.

Geography:

In geography, we will be focusing on our geographical skills, including learning about lines of longitude and latitude, the Arctic Circle and time zones.

PSHE:

In PSHE this term, we will focus on identifying goals for the year, global citizenship, children's universal rights, feeling welcome and valued, choices, consequences and rewards, group dynamics, democracy, having a voice, antisocial behaviour and role-modelling.
