

25th November 2024

Dear Parents/Carers,

Parent Volunteers

As we strive to create a supportive and enriching educational environment for our pupils at Raleigh & Admirals Academies, we recognise parents' valuable role in enhancing our school community. Active involvement not only fosters a sense of belonging but also contributes to the overall success of our Academies.

We are now recruiting parent volunteers to support our Academies. Your support, time, and unique skills are essential in helping us achieve our goals. Whether you have volunteered in the past or are new to the idea, you can get involved in numerous ways to benefit both our pupils and our Academies.

We are looking to recruit a number of class-based volunteers who would be available to assist our children in various subject areas with a specific focus on reading, writing and maths. Your support can allow us to provide a personalised learning experience for many of our pupils.

Confidentiality

While working in a school, you may become aware of confidential information about the children. Confidentiality is vital to building trust between parents, staff and children. It protects you, the child and their family, gives peace of mind to all parents, and maintains the professionalism of the Academy.

Application Form

If you are interested in volunteering, please fill out the attached Volunteer Registration Form or visit our school's website to access the online form. Once completed, please hand the form to the school office. Once we receive your information, we will match your skills, availability, and interests with appropriate volunteer opportunities.

Remember that volunteering can be as flexible as your schedule allows. Whether you can dedicate just an hour a week, every contribution is valued and meaningful. If you have any questions or need further information, please feel free to contact the Academy office.

Yours sincerely,

Greg Sadler
Executive Principal
