Safer Recruitment - We follow safer recruitment practices when recruiting new staff and there is always someone on the interview panel who is safer recruitment trained.

ID Badges - All academy staff must wear identity badges that signifies their position / role. All visitors are required to wear a visitor badge.

Digital Safety - Our academy devices and network are continually monitored and access to the internet is filtered.

Access to the academy - During the day, the external school gates are locked and all visitors must report to the school office.

What should you do if you have a worry or concern?
